

## In Memoriam

- 2020** Richmond Loring, ITD; Manger of Toolbox4.bnl.gov server at Brookhaven National Laboratory (BNL), passed away May 21, 2020 at age 56, from a Heart Attack. He helped with the server for the **Brookhaven Neutrino Homepage** (<https://neutrino.bnl.gov>). He also helped with the **quark** (<https://quark.phy.bnl.gov>), etc.
- 2017** Frank Paige, Senior Physicist Emeritus at Brookhaven National Laboratory (BNL), passed away on October 16, 2017 following a stroke. Frank was born on October 21, 1944 in Philadelphia and obtained his Ph.D. in Physics in 1970. In addition to Physics research, he managed **quark** (<https://quark.phy.bnl.gov>) in the Physics Department, and helped with computer problems.
